

BROOMBALL

Have a Broomball Event at the NTPRD Chiller!

Broomball is perfect for sports teams, clubs and team building activities. It's similar to hockey but played on a roughened ice surface in athletic shoes instead of skates. We provide the equipment (helmets, balls, sticks and nets). Multiple cross-ice games can be played simultaneously, or have your players compete in a round-robin tournament during the 1 hour private ice time.

Cost is \$300 for a 1 hour private ice rental and equipment.

If you would like a referee, there is an additional \$25 fee. \$50 deposit due at time of reservation.

Interested in renting a party/meeting room?

Our private room can be rented for an extra \$25 per hour. You may use the room to serve food and beverages either before or after your broomball event.

For more information or to book your event, contact Group Sales:
