

Dayton Fire Hockey Presents:

Hockey for Heroes

Julian Durst and the Durst Family
Saturday May 14, 2022 @ 6:15pm
Springfield Chiller 301 W Main St

On August 7th, 2021, after completing his first year of tee ball, Julian Durst was taken to Dayton Children's Hospital where he was diagnosed with Leukemia. Julian has been through 3 rounds of Chemotherapy and on December 9th, 2021, he underwent a bone marrow transplant. Although Julian is cancer free, he and his family still have a long way to go mentally, physically and financially. Please come out and join the Dayton Fire and Cincinnati Fire Hockey teams as we come together to provide support for the Durst family.

It's a great way to support a local family in need all while watching a FREE hockey game. We will also have a 50/50 raffle and holding a silent auctions for items donated by local business.
